

FALL 2014 JTC1/SC22/WG21

C++ Standards Committee Meeting

November 3-8, 2014

University of Illinois at Urbana-Champaign

Venue

The Fall 2014 C++ Standards Committee Meeting will be held on the campus of the University of Illinois at Urbana-Champaign. Hosts for the meeting are the U of I Department of Computer Science and the Parallel Computing Institute.

Meetings will be held in the Thomas M. Siebel Center for Computer Science and the Coordinated Science Laboratory, both conveniently located just a few blocks from either conference hotel and across the street from each other.

Hotel Accommodations

Blocks of rooms are being held until October 1, 2014 at both the Hampton Inn Urbana and the Illini Union Hotel under “C++ Standards Conference”. You may make reservations directly with whichever hotel you choose. Direct links to the hotels are available on the conference website.

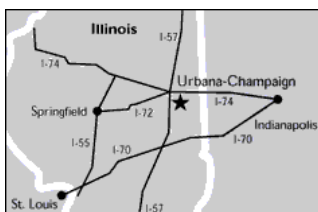

Getting There

The Illinois campus is readily accessible to visitors by car, plane, train, or bus. The University of Illinois’ Willard Airport is five miles south of Champaign just off US 45. American Airlines links the community to major hubs across the U.S. where passengers can make connections. This is the recommended airport for conference attendees.

Amtrak provides daily rail passenger service to and from Chicago. Greyhound, Trailways and Illini Swallow provide national and regional bus service.

Driving from Chicago’s O’Hare (ORD) or Midway (MDW) airports, Lambert-St. Louis International Airport (STL), Indianapolis International Airport (IND) or the Bloomington-Normal Regional Airport (BMD) is also a convenient way to arrive on campus. Driving directions are available at the Illinois.edu website under the maps tab.

Siebel Center

Coordinated Science Lab

Ground Transportation Network Access

The C-U Mass Transit District -www.cumtd.com - runs an extensive line of busses through campus and into the community for moving around town. Car rental is available at the airport upon arrival. A list of taxis will be available on the conference website.

Parking

Parking at the meeting venues is limited. Both conference hotels provide free parking for registered guests. If you require meeting venue parking, please contact the host coordinators.

Weather

The average daytime temperature in Champaign-Urbana during the month of November runs in the upper 40's with nighttime temperatures dipping into the low 30's. Rain or light snow can be expected.

All conference venues and hotels offer access to free wireless internet. The meeting rooms also allow access via Eduroam.

Around Town

The dining and nightlife scene in Champaign-Urbana is eclectic and overflowing with choices all conveniently located to the conference hotels and meeting venues. www.visitchampaigncounty.org
