

FALL 2014 JTC1/SC22/WG21

# C++ Standards Committee Meeting

November 3-8, 2014

University of Illinois at Urbana-Champaign

## Parking Information

Parking on the Illinois campus is limited. If you are staying at one of the conference hotels you should plan to leave your car at the hotel (free!) and walk to the conference venue. The Hampton is 1 ½ blocks from the Siebel Center and the Illini Union is 3 blocks away.

There are parking meters available in the parking deck B4 or Lot B1 on the Campus Parking Office map (link below). Rates are \$1/hour - bring quarters, or you can set up a pay by phone account at <https://paybyphone.com/> and pay for your meter each day electronically.

Scratch off hang tags valid for one day at any meter with a Block I

Sticker are available for \$12/day at the Campus Parking Office

<http://www.parking.illinois.edu/home> If you want to buy enough for your entire visit plan to stop into their office first thing Monday morning.
